Faculty Recruitment

Institute of Statistics, National Tsing Hua University, Taiwan

The Institute of Statistics at National Tsing Hua University invites applications for tenure-track faculty positions starting at the Assistant Professor level. Higher ranks, such as Associate Professor or Professor, may be offered to candidates demonstrating outstanding research and academic leadership qualities.

Qualifications: Candidates must hold a Ph.D. in Computer Science, Statistics, or a related discipline by the time of appointment.

Areas of Expertise: We are particularly interested in candidates specializing in Data Science, Machine Learning, Theoretical Statistics, Applied Statistics, or Statistical Computing.

Vacancies: Multiple positions are available.

Application Deadline: May 30, 2024 (Appointment Date: February 1, 2025)

Application Materials: Applicants must submit a curriculum vitae, a list of publications, up to five representative works, a research plan, and three letters of recommendation. Graduate transcripts must also be included for those applying for the Assistant Professor position. All application materials should be sent via email to the Institute's office at stat@my.nthu.edu.tw. The referees should email Letters of recommendation to the same address.

Contact Information: Miss Shi, Email: stat@my.nthu.edu.tw
Phone: 03-5715131 ext. 33179 or 03-5722894
